

AMERICAN EX-PRISONERS OF WAR

The Middle Tennessee Chapter will host the annual "Gathering" on April 27 at the Guesthouse Inn on Music Valley Drive in Nashville. The decline in attendance at Department Conventions has dictated that they be less formal and more of the reunion-type than in years past. They still serve a useful purpose of allowing old friends to reminisce and some of the younger next-of-kin to hear stories they may not have heard before.
